

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
 - Promoting good attendance and the benefits of good attendance
 - Reducing absence, including persistent and severe absence
 - Ensuring every pupil has access to the full-time education to which they are entitled
 - Acting early to address patterns of absence
 - Building strong relationships with families to make sure pupils have the support in place to attend school
- We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos

- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

3.2 The Headteacher

The Headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the School Business Manager to be able to do so
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader, known as the attendance champion, is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Monitoring and analysing attendance data
- Benchmarking attendance data to identify areas for improvement
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis

- Liaising with pupils, parents/carers and external agencies, where needed
- Working with education welfare officers to tackle persistent absence
- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is Alex Simpson and can be contacted via school email and phone number.

3.4 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Ensure registers are fully completed daily
- Transfer calls from parents/carers to attendance champion where appropriate, in order to provide them with more detailed support on attendance

3.5 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9.00am on the day of the absence (and each subsequent day of absence) with the reason for absence, and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school
- Seek support, where necessary, for maintaining good attendance, by contacting the attendance champion via the school office

3.6 Pupils

Pupils are expected to attend school every day, on time

Pupils are expected to be on time and attend every day that the school is open, unless:

- Your child is too ill to attend.
- You have asked in advance and been given permission by the school for your child to be absent on a specific day due to exceptional circumstances.
- Your child cannot go to school on a specific day because they are observing a religious event.
- Your local authority is responsible for arranging your child's transport to school and it's not available or has not been provided yet.

4. Recording attendance

4.1 Attendance register

School will keep an electronic attendance register, and place all pupils onto this register.

School will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

See **Appendix 1** for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.50am and ends at 3.20pm

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.20am. The register for the second session will be taken at 12.30pm for EYFS and KS1 and 1.00PM for KS2 and will be kept open until 1.30pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9.00am or as soon as practically possible, by contacting the school office on 01942 634734 or office@thegates.bolton.sch.uk.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. Parents should provide a copy of the appointment letter/confirmation in advance of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L)
- After the register has closed will be marked as absent, using the appropriate code (U)

Parents will be contacted for any children arriving late for school on a regular basis. This is to discuss how parents can be supported to ensure their child arrives on time and reduces the child's time out of class and impact on learning.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may visit the family home
- Identify whether the absence is approved or not

- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance by means of an attendance improvement plan
- Where support is not appropriate, not successful, or not engaged with school may issue a notice to improve or instruct the Local Authority to issue a Fixed Penalty Notice or take further legal action

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

As a leave of absence will only be granted in exceptional circumstances, a leave of absence will not be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, available from the school office on request. The Headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Headteacher (or someone authorised by them) can request the Local Authority to issue a penalty parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

Before requesting the issue a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority. If the payment has not been made after 28 days, the Local Authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

School offers a number of initiatives to promote good attendance. These include

- Class attendance reward points for weekly attendance
- Letter to parents thanking them for ensuring 100% attendance each half term
- Certificates, stickers and badges for 100% attendance, awarded termly

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

School will follow the statutory guidance Working together to improve school attendance (August 2024) and Keeping Children Safe in Education (2024) for children who are absent due to complex barriers to attendance.

Where absence escalates and pupils miss 10% or more of school (equivalent to 1 day or more a fortnight across a full school year), The Gates Primary School will work with the Local Authority to put additional targeted support in place to remove any barriers to attendance and reengage these pupils.

In doing so, The Gates Primary School will sensitively consider some of the reasons for absence and understand the importance of school as a place of safety and support for children who might be facing difficulties, rather than reaching immediately for punitive approaches.

Particular focus will be given by all partners to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of partners. A concerted effort is therefore needed across all relevant services to prioritise them. All partners should work together to make this group the top priority for support – this may include specific support with attendance or a whole family plan, but it may also include consideration for an education, health and care plan or an alternative form of educational provision where necessary to overcome the barriers to being in school.

If all avenues of support have been facilitated by The Gates Primary School, Bolton LA and other partners, and the appropriate educational support or placements (e.g. an education, health and care plan) have been provided but severe absence for unauthorised reasons continues, it is likely to constitute neglect. The school and LA should be especially conscious of any potential safeguarding issues in these cases and where these remain, conduct a full children's social care assessment. School will refer to the statutory guidance on Keeping Children Safe in Education.

School will make patterns of both persistent and severe absence a focus of our regular data monitoring and identify pupils and cohorts who need targeted attendance support as quickly as possible. Both persistent and severe absence will be central to school and local authority level strategies for improving attendance.

7.2 Pupils absent due to mental or physical ill health or SEND

School will continue to work with parents to ensure that education for children is provided where possible. This may be through communication with Hospital Schools, contact with parents or through virtual education. Our school has a 'Children with Health Needs who can't attend school' Policy – please refer to this policy for a detailed approach to our support for these vulnerable children.

Children and young people with temporary or recurring medical or mental health needs are valued as full and participating members of the school community. In September 2014 a new duty was introduced for governing bodies to make arrangements to support pupils at school with medical conditions, in terms of both physical and mental health, to enable them to play a full and active role in school life, remain healthy and achieve their academic potential. The school's co-ordinator for children with medical needs will have overall responsibility for ensuring that this, and other policies and procedures, are regularly reviewed and fully implemented- this is our SENDCo Mrs Jackson.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

The Gates Primary School will strive to recognise the needs of the individual pupil when planning reintegration following significant periods of absence.

- Be sensitive to the individual needs and circumstances of returning pupils.
- Involve/inform all staff in/or reintegration process.
- Provide opportunities for counselling and feedback.
- Consider peer support and mentoring.
- Involve parents as far as possible.
- Agree timescale for review of reintegration plan.
- Include parents and pupils in reintegration plan.
- Monitor and review the implementation and the impact.

8. Attendance monitoring

The attendance champion will monitor absence on a regular basis, at least half-termly and will review:-

- Pupils with cumulative attendance that reaches the threshold for persistent absence (less than 90%)
- Unauthorised absence levels including holidays taken during term time
- Punctuality data

Each review will involve reviewing the nature of the pupil's absences, their frequency, any patterns that arise. The attendance champion will recommend and direct action to address poor or concerning absence or punctuality levels. This action may involve phone calls or meetings with parents to understand the cause of the absences and agree a supportive plan to improve attendance levels.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

The School has granted the DfE access to its management information system and data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This guidance is neither exhaustive nor definitive. Each application for a leave of absence would be considered case by case and remains at the discretion of the head teacher taking into account all factors, including past and current attendance rates in school. Any child being monitored as a result of poor attendance will not have any of the above exceptional absences authorised.

Monitoring

The Headteacher is the strategic lead for school attendance and is responsible for the monitoring and review of this policy and makes decisions in line with school policy. This policy will be reviewed at least annually and will be approved by the Board of Governors. Contact details are via school email address – office@thegates.bolton.sch.uk
