

UKS2- Homework Web

Spring 2

Please choose 1 of the following projects to complete to help further your knowledge and understanding around one of this half term's areas of learning.

Alternatively, if you would like to complete a different project, related to another aspect of your learning, you can surprise your teacher with that instead.

Option 1:

Classification Top Trumps Cards

Create Top Trumps-style cards for different animals or plants.

Include classification categories like:

- Kingdom (Animal, Plant, Fungi, etc.)
- Class (Mammal, Reptile, Bird, etc.)
- Habitat
- Diet
- Special Features

Option 2:

Moving animal models (DT – mechanisms)

In DT we will be looking at mechanisms such as levers, pulleys and cams. You could create a moving animal model at home.

There are lots of ideas on YouTube under the search “moving animal model mechanisms”.

All homework should be completed to the best of your ability and handed in prior to the last celebration assembly of the half-term.

Enjoyment

Option 3:

Create a Proud Flag showing that you are proud of yourself and your community.

In Westhoughton, everyone is welcome and we celebrate the diversity of our town. Can you create something to welcome everyone? This could be a poem, flag, poster or a sign.

How will you make it clear that everyone is welcome here?
