

A huge thank you to all of the Parents/Carers who took the time to complete our recent survey to provide your feedback and give your views on the school. We had **188** responses which is fantastic!

- Your views are very important as they will help us to identify areas for us to work on as a school in the coming year and we have already discussed the results as a Senior Leadership Team.
- We are delighted with the results, especially **100%** stating they would recommend the school to other Parents/Carers. Please remember that we are a school community and if you ever wish to discuss anything, your child's class teacher, phase leaders (Mrs Jarrett, Mrs Latham and Mr Simpson) and myself would be happy to listen to your views and discuss these with you. We promise we will always try to be reflective and make changes to make your child's experience here as positive as possible.
- We have already contacted many of the Parents/Carers who had made additional comment or suggestions.
- The results, feedback and views from Parents/Carers have fed into many our School Improvement Priorities and changes to our practices/procedures for next year.
