

Summer 1 2021

Early Years Foundation Stage

**What can we discover?**

During this term we will be using our topic question 'What can we discover?' to explore dinosaurs, The Farm, Eid and Gardens. Here are some ideas that will support our topic learning this term.

All children should complete at least one activity.

Please share your learning through Evidence Me so it can be added into your child's Learning Journey. We will share more information regarding this via Twitter.

Thank you for your continued support.

Activity 1:

Can you make salt dough fossils?

Activity 3:

Make a junk model of a dinosaur or a farm animal. What will you use to join the materials together? How will you colour it?

Activity 4:

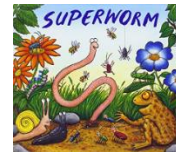

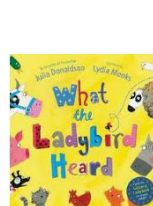

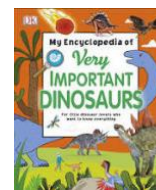

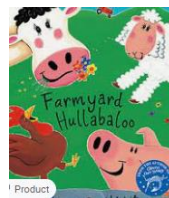

**Garden Xylophone**

Can you fill jars with water or leaves etc to make music in the garden? Can you video and send this in?

Activity 5:

Share one of our books for this term.

Activity 2:

**Minibeast hunt!**

Can you look around your garden and see if you can find any minibeasts? What have you found? Can you use a book or computer to look up names?

Activity 6:

Personal Development

Can you use 2paint on 2Simple to make a Eid picture.

Activity 7

**Vocabulary-** these will be some special words that we will be learning about over this half term. Can you see if you know what they mean?

Minibeasts fossils insects carnivore  
herbivore celebration mosque
