

Activity 1:

Build a working model / draw an Egyptian piece of engineering such as the 'Shadduf'. Find out why it was so important to their way of life.

Art / Design Technology

Activity 2:

Research 'mummification' and write a report on the steps needed to prepare the human body for the afterlife.

Science

Activity 3:

Write a report about a famous Pharaoh such as Tutankhamun and create a fact file on them.

Writing

LKS2 Homework Topic Web

Summer 1 – 2021

Ancient Egyptians

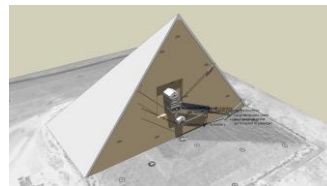

Here are some ideas that will support our Ancient Egyptian topic learning this term.

The expectation is to complete **at least 1 piece** of Topic Homework.

Please send in any completed activities as and when to share with the class.

Activity 4:

Use Purple Mash to find out more about The Great Pyramid of Giza. Research what makes the pyramid special and why it is so fascinating to modern day archaeologists. Create a diagram of the structure.

Computing

Activity 5:

Think about travelling to see the wonders of Ancient Egypt. Produce a travel brochure that details costs of flights and actual prices, including reasons to travel, promoting tourism to the famous sites.

Maths

Activity 6:

Make up and record a rap / song about Ancient Egyptian life. Use Seesaw to record a video or use the 'voice note' microphone.

Music

How to help further

- Draw a map of a pharaoh's tomb. Write a set of instructions on how to get through safely, avoiding any traps. Think about using directional language. **Maths – Angles & Direction**
- Visit Bolton Museums Egyptology section, either virtually or in person to find out more about ancient Egypt. **Personal Development**
- Design your own Egyptian jewellery. **Art**
- Write a biography about Howard Carter. **History**
