

EYFS - Homework Web

Autumn 1 – What makes me special?

Please choose 1 of the following projects to complete linked to our topic this term; What makes me special? **Alternatively, if you have a burning desire to complete a different related project, you can surprise your teacher with that instead.**

Option 1: Create a self portrait

This could be created from anything, paint, drawing, objects around the house; be as creative as you want.

Think about the different features of your face, how many eyes do you have? What colour hair do you have?

Option 2: Create a timeline of your life

With your grownup can you look at photos from when you were a baby to now?

Using these photos can you create a timeline of your life?

What do you notice about you? What has stayed the same? What has changed?

You can display your timeline in any way you want.

Key vocab:

special, friend, family, Mum, Dad, sister, brother, baby, toddler, child

Option 3: Where do you live?

Can you build a 3D model of your house? You could make this out of junk, bricks or Lego.

Think about how many windows your house has, how many doors? Does your house have a number?

Can you describe your house to your grown up?

All homework should be completed and handed in prior to the last week of term.

Thank you for your support
