

KS1 - Homework Web

Autumn 2 – Animals – survival and growth

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term's Animals topic. **Alternatively, if you would like to complete a different related project, you can surprise your teacher with that instead.**

Option 1: Compete in your own Mini-Olympics.

Research different types of exercise that you would enjoy. Set up your own mini Olympics that you can compete in with your grown-ups! You could create a poster to encourage people to take part.

Option 2: Create a model life cycle of an animal including humans.

Research different life cycles of animals and create a model of one. Use any media you would like, pencils, paints, playdough... Be as creative as you'd like!

Enjoyment

Option 3: Create your favourite pet.

Research different pets and choose one to create using junk modelling.

All homework should be completed to the best of your ability and handed in prior to the last phase assembly of the half-term.
