

LKS2 - Homework Web

Spring 1 – Wartime Westhoughton

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term's Wartime Westhoughton topic.

Alternatively, if you have a burning desire to complete a different related project, you can surprise your teacher with that instead.

Option 1: Create a model of an air raid shelter.

Air raid shelters were used as a form of protection from the bombs. Create a model of an air raid shelter showing what they looked like and the materials they were made from.

Option 2: Draw, paint or create a picture inspired by The Blitz

The Blitz was the name given to the bombing raids that Germany launched against Britain in 1940, during World War II. Create some artwork inspired by the Blitz. You could paint, draw or print. Research the locations which were damaged as a result of this.

Enjoyment

Option 3: Create a child-friendly gas mask box.

Everyone in Britain was given a gas mask in a cardboard box during World War 2, to protect them from gas bombs, which they thought might be dropped during air raids. Create your own box which includes a set of instructions as well as pictures to make the children less scared.

All homework should be completed to the best of your ability and handed in prior to the last phase assembly of the half-term.
