

## EYFS - Homework Web

### Spring 1 – Where am I?

Please choose 1 of the following projects to complete linked to our topic this term; Where am I?

**Alternatively, if you have a burning desire to complete a different related project, you can surprise your teacher with that instead.**

#### Option 1: Junk Model Vehicle

Choose a vehicle (this could be land, air, water) and create a model of this using items from around your home.

Think about the different ways that you can join materials and what your vehicle needs e.g. wheels, wings, windows.

#### Option 2: Winter Walk

Go on a winter walk with a grown up and take photos of what you can see.

What signs of winter can you see?

What does it feel like?

What do you need to wear?

Challenge: Can you create a winter picture?

#### Key vocab:

Winter, seasons, vehicles, journey, transports, land travel, air travel, water travel, bird's eye view, map, direction, materials

#### Option 3: Create a map of where you live

Looking from a birds eye view, what can you see?

Think about the road you live on, the houses on your street and any parks or shops near you.

Create a bird's eye view map of your street. This could be drawn, created on the computer or even made into a model.

**All homework should be completed and handed in prior to the last week of term.**

**Thank you for your support**
