

LKS2 - Homework Web

Summer 1 – Ancient Egyptians

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term's History topic. **Alternatively, if you have a burning desire to complete a different related project, you can surprise your teacher with that instead.**

Option 1: Draw, paint or create a 3D model mask for Tutankhamun.

After mummification, people were buried in a tomb wearing a death mask. Design a death mask for Tutankhamun.

Option 2: Create a 3D model of an Egyptian pyramid.

The Pyramids are massive stone structures built by the Ancient Egyptians over 6000 years ago. They acted as burial mounds or tombs for the kings and pharaohs of Ancient Egypt. The most famous of these pyramids is the Great Pyramid of Giza. Create your own 3D model of a famous Egyptian pyramid.

Option 3: Design your own hieroglyphics.

The ancient Egyptians invented one of the earliest known writing systems used from around **3000 BC**. The symbols they used were called **hieroglyphs**. Design your own hieroglyphic alphabet using pictures relevant to Britain today.

Egyptian Hieroglyphs

All homework should be completed to the best of your ability and handed in prior to the last phase assembly of the half-term.
