

## LKS2- Homework Web

## Autumn 2:

Please choose 1 of the following projects to complete to help further your knowledge and understanding around one of this half term's learning.

**Alternatively, if you would like to complete a different project, related to another aspect of your learning, you can surprise your teacher with that instead.**

### Option 1:

#### Rock Cycle

Use crayons to model the rock cycle in this fun activity! Make colourful sedimentary, metamorphic, and igneous "rocks" using crayon shavings. This will be a nice opportunity to work with a loved one.

Type in: [Model the Rock Cycle with Crayons | STEM Activity](#)  
([sciencebuddies.org](http://sciencebuddies.org))

For the instructions!

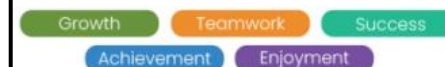

### Option 2:

#### Art inspired by Mary Anning

Can you create a painting/drawing/sculpture of Mary Anning?

The Gates  
Primary School  
Westhoughton

### Option 3:

#### Beach day!

Go hunting for fossils with your family. The best place to go is the beach. Look carefully through the pebbles and see if you can spot your own fossil.

### Option 4:

#### There are over 5000 types of rock.

Mrs Jackson's favourite is called Amethyst. Can you create an information fact file on your favourite one? You could include where they are found, how they are formed, how valuable they are etc...
