

## KS1 - Homework Web

### Autumn 2 – Animals including humans

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term's Science topic. **Alternatively, if you have a burning desire to complete a different related project, you can surprise your teacher with that instead.**

#### **Option 1: create a fact file about your favourite pet.**

You could create a poster, a fact file with written facts or use Seesaw.

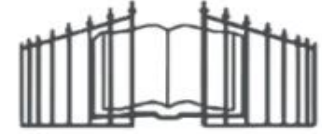

Share as many facts as you can about your animal – what type of animal, what it eats, where it lives etc.

#### **Option 2: design and make an animal home.**

You could use construction toys such as Lego, craft items including junk modelling or you could use leaves, twigs and branches from outside.

Teamwork

Success

Achievement

Enjoyment

#### **Option 3: help the animals in your environment.**

Research and create a different way to help the animals that might live in your garden.

You could make bird feeders, a hedgehog house or a bee hotel.
