

KS1 - Homework Web

Spring 1 – Amazing Africa

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term's Geography topic. **Alternatively, if you have a burning desire to complete a different related project, you can surprise your teacher with that instead.**

Option 1: create your own special cloth.

In Art, we are looking at kente cloths and why these are important. We will be using printing to create our own.

Can you create your own special cloth?
What colours would you include? Are there any special items you would include to represent your family?

Option 2: design a holiday brochure for a country in Africa.

Choose a country in Africa and use the internet to research it.

Create a holiday brochure in any format you choose. Don't forget to add photos and picture as well as your writing.

You could even use Purple Mash to create it – remembering all those typing skills we learnt last term.

Enjoyment

Option 3: create a weather report

Find out about the weather in an African country and write/perform a weather report.

Can you compare it to the weather in Westhoughton?
