

## EYFS - Homework Web

### Spring 1 – Who am I?

Please choose 1 of the following projects to complete linked to our topic this term; Who am I?

**Alternatively, if you would like to complete a different related project, you can surprise your teacher with that instead.**

### Option 1: Junk Model Animal habitat

This term we will be learning all about animals that we might see down on the farm.

Can you make a farm at home? You could make this out of lego or junk modelling?

Think about the different areas of a farm, the duck pond, the barn, the stables. Maybe you could include these areas in your models.

### Option 2: Spring

Can you go on a spring walk with your family?

Discuss:

What can you see?

What can you hear?

How is spring different to the other seasons we have learnt about?

Can you draw or paint a picture of animals or things you might see during Spring.

lamb

nest

### Option 3:

### World Book Day

Can you create something linked to your favourite book? Be as creative as possible! There will be a winner for the most creative!

**Key vocab:** animals, farm animal names, jungle animal names, habitats, jungle, eat, babies, young, spring, buds, flowers.

### Option 4:

### Read Your Own Way

This year's theme for World Book Day is 'Read your own Way'.

Where do you read?

Have you read in any unusual places?

Take pictures of yourself reading in unusual, funny or strange places.

**All homework should be completed and handed in prior to the last week of term.**

**Thank you for your support**
