

## LKS2 - Homework Web

### Summer 1 – Ancient Greeks

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term's History topic. Alternatively, if you have a desire to complete a different related project, you can surprise your teacher with that instead. All homework should be completed to the best of your ability and handed in prior to the last phase assembly of the half-term.

#### **Option 1: Greek God Fact File**

The ancient Greeks believed each Greek god and goddess stood for something, and they would worship specific gods for different reasons. Research and create a fact file about an Ancient Greek God.

#### **Option 2: Greek Model**

Create your own 3D model of a piece of Greek armour/weaponry or jewellery. Perhaps you could choose a shield, helmet or necklace that was worn in battle or for a touch of opulence!
