

### Activity 1:

#### Science

Design a habitat. Be creative! This could be done using junk modelling, pictures or computer designs.

### Activity 2:

#### Geography

Bring in some photographs of a time when you visited somewhere new in the UK.

### Activity 3:

#### English

Create a fact file about any city in the United Kingdom.

## Autumn 1

### The United Kingdom

Here are some ideas that will support our topic learning this term. A minimum of one of these is to be completed.

Please send in any completed activities as and when for 'Show and Tell'

### Activity 4:

#### Art

Create a collage of animals that you may find in your back garden.

### Activity 5:

#### Maths

Make a set of top trump cards for animals that live in the UK.

### Activity 6:

#### Computing

Draw a picture of your favourite place in the UK using Purple Mash.

### How to help further

English: Write a story set in "The Jurassic Forest" Be as creative as you like!

Science: Investigate different food chains and present them in interesting ways.
