

Activity 1:

Research one rainforest animal or plant. Draw a picture of the animal in the habitat in which it lives. Label your picture to explain about your animal and where it lives.

English

Activity 2:

Make your own rainforest habitat. Think about how you can use different materials to make your rainforest.

Design Technology

Activity 3:

Explore a rainforest animal further by creating some art. Try using paints, pastels or chalk to add colour.

Art

Year 3/ 4 Homework Topic Web

Autumn Term 1

This term we are learning all about the Rainforest as part of our Geography topic.

Here are some ideas for you to complete at home. Please complete at least 1 activity and bring it into school when you have finished. All topic homework should be returned to school by the **19th October**.

Activity 4:

The rainforest is made up of 4 layers. Find out more about them and use a jar to show the layers.

Geography

Activity 5:

Every year, hundreds of thousands of trees are cut down and taken from our rainforests. Create a poster campaign to encourage people to stop destroying the rainforest.

SMSC

Activity 6:

How many animals can you find? Choose one rainforest and find out which animals live there. Choose no more than 10 different species and find out how many live there. Make a bar chart to show this.

Maths

More ideas:

Find out more about where different rainforests are in the world. Label a map or write a list to show the different countries which have rainforests (**Geography**)

Draw a picture of a plant found in the rainforest and label the different parts of the plant (**Science**)

Find out 10 interesting facts and create a fact file. Use Purple Mash to help you with this. (**Computing**)
