

Autumn 1 2020

Early Years Foundation Stage

What makes you special?

Here are some ideas that will support our topic learning this term.

All children should complete at least one activity by 19th October..

Please share your learning through Evidence Me so it can be added into your child's Learning Journey. We will share more information regarding this via the blog.

Thank you for your continued support.

Activity 1:

Can you make a self-portrait of yourself with different objects that you can find?
Either stick them down or take a photo.

Activity 3:

Sit quietly and listen carefully to what you can hear.
Draw a picture of 3 of the things you can hear?

Activity 4:

Can you use Purple Mash 2paint a picture to draw a picture of yourself?

Can you put them in order of size?

If you don't have paint you could draw around your hands.

Activity 2:

Can you draw a picture of the people in your family?
Try and label your picture with their names.

Bring in a photo and tell us 1 way you have changed.

Activity 7:

Sit down and get comfortable with a grown up.
Choose your favourite story and ask your grown up to read it to you.

Talk about why you like the story and what happens to the characters.

Bring in or send us a picture of you reading!
