

Spring 1 2021

Early Years Foundation Stage

**How will I get there?**

Here are some ideas that will support our topic learning this term. In school, we will be learning about Transport and Chinese New Year.

All children should complete at least one activity by the **8<sup>th</sup> February.**

Please share your learning through Evidence Me so it can be added into your child's Learning Journey. We will share more information regarding this via the blog.

Thank you for your continued support.

Activity 1:

Using junk modelling can you make a vehicle?

Think about how you are going to join the different materials together.

Activity 3:

Go for a walk with grown up. Can you make a list of all the different types of vehicles you have seen?

Which vehicles have you seen the most?

Which vehicle did you not see?

Activity 4:

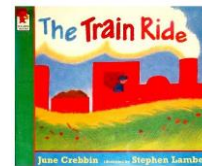

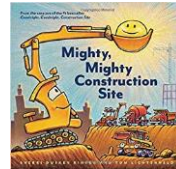

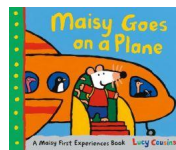

**Personal Development Target**

Talk to an adult about how to stay safe near roads.

Could you make a poster to show this to other children?

Activity5:

Share one of our stories for this term.

Activity 2:

Can you make a Chinese Dragon puppet?

You can use lots of different types of craft materials to make your dragons tail.

Activity 6:

Use Mini Mash on Purple Mash to create on of the Chinese New Year Paint activities.

Click on the pins on the top right to access the menu.

Vocabulary

These are some words that we will be using throughout our topic. See if you can find out what they mean.

exhaust axle steam train headlight

wheel carriage wing engine
