

Spring 2 2021

Early Years Foundation Stage

How will I get there?

Here are some ideas that will support our topic learning this term. In school, we will be learning about Transport and Spring

All children should complete at least one activity by the **1th April.**

Please share your learning through Evidence Me so it can be added into your child's Learning Journey. We will share more information regarding this via the blog.

Thank you for your continued support.

Activity 1:

Make up a story with a grown up of an adventure you might have in a hot air balloon.

You could draw pictures to go with your story or record yourself telling the story.

Activity 3:

Go for a walk with your grown-ups.
What different letters can you spot on different vehicles?
Can you find the letters in your name? What words could you make up?

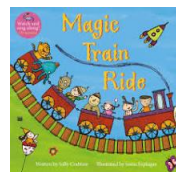

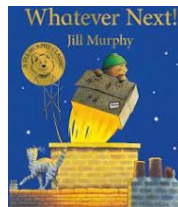

Activity 4:

Personal Development Target

What animals do you know that are born in spring?
What do we need to do to look after these animals?
Can you draw a picture of some of the animals we might see in spring?

Activity5:

Share one of our stories for this term.

Activity 2:

Can you plant a seed?
What will your seed need? Where do you need to put it?
Can you take pictures of your seed at different parts to watch it grow.

Activity 6:

Can you use purple mash to paint a space rocket?
Focus on using the tool to change the size of your paintbrush to create different sized lines.

Vocabulary

These are some words that we will be using throughout our topic. See if you can find out what they mean.

heat engine bucket crane

wing track tyre booster
